MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Current Interest Items

1. Early Retirement Bill

Our regulations have received full Agency approval except for a green light from the Director to proceed with external coordination. Meantime, we are working on procedures and forms for the initial screening of on-duty personnel for designation as participants on the assumption that the criteria stated in the regulation will not be changed in the process of external coordination.

We are meeting with the Director of Finance early in the week of 12 October to discuss mutual problems in implementing the system. Also, we have briefed [REDACTED] Budget Division on the system generally and our cost projections specifically.

2. Briefing State Department Personnel Representatives on IAS

On 8 October the Deputy Director of Personnel briefed three people from State on our operation of the Interim Assignment Section as an assist to them in setting up a similar operation at the Department:

[REDACTED], Assistant Chief, Recruiting and Examining, [REDACTED] spent about an hour discussing with them the principles by which we operated and some of the inherent problems in handling an uncleared Pool, including finding useful work for the people in the Pool. He also arranged for [REDACTED] to visit 16th Street for a tour and a briefing by [REDACTED].

3. "Blue Book" Updating

We have initiated a project for updating the blue-covered booklet containing the biographic sketches of Principal Officials in the CIA. A number of changes have taken place since the booklet was last revised.

4. Listing of Senior Officials

At the request of [REDACTED] we are reconstructing lists of senior Agency officials (defined for this purpose to include officials down to the level of Deputy Assistant Director, Deputy Staff or Division Chief) as of October 1960, September 1961, April 1962, January 1963, and January 1964.

5. Retrospective Pay

We were advised by the office of the Legislative Counsel that the President approved on 8 October 1964 the bill containing the rider to cover categories not covered in the August pay bill for retroactive salary adjustments. This will permit us to complete action required by the pay act.

6. Recruitment Brochure

Page proofs were sent to New York Wednesday, 7 October. [REDACTED] went to New York on 9 October to discuss any final changes to be made. We expect to have a limited number of copies ready for distribution in about two weeks.
